DECOR TIPS ON A DIME

MAKE IT!

## ON THE FENCE

How to fake a fun kid's headboard on the cheap: Pick up heavy-duty adhesive Velcro and a vinyl-fence section at a home-improvement store (we found this lattice piece at Lowe's for less than \$20). Center fence behind the bed; Velcro it to the wall. If you'd rather use real wood fencing (avoid anything treated with chemicals), sand away splinters and mount with appropriate hardware.

Why We Love...  
**O.CO**  
 Formerly overstock.com, o.co has more new low-cost, high-style finds (like this 24-inch lamp, \$112) on top of its liquidated haul. Still our fave feature: its flat \$2.95 shipping fee

## Try This Trend

### GRAPHIC NUMBERS

Adding style to your home is as easy as one, two, three with vintage-feel accents. The latest in the typeset-character trend, these pieces come in neutral colors and subtle textures so they'll work with a slew of looks.

- Jewelry, purses, or towels will hang handsomely on Two's Company's **black-on-white glass hooks** (top right, \$10 each) that count from one to six. **Porcelain lidded jars** (also from Two's Company) will be shelf standouts (top right, \$23 each); pick your favorite figures, from one through four
- Mix this **embroidered linen pillow** (bottom right, \$49) from Arhaus with patterned ones to bring a sofa up to date. Shell buttons on the back multiply its charm
- Blue Ocean Trader's **stool** (right, \$125) sums up extra seating perfectly: petite, movable, and cute enough to leave out. Buy one, or a clearly marked set of four

Photographs, clockwise from top left: BURCU AVSAR, styling by Laura Robby/STUDIO D (numbers).
