10 Beautiful Bedroom Budget Finds For Less Than \$20

I've often been quoted as saying, "I can \$20 myself to death!" It seems like the magical number when it comes to retail and splurging just a little bit on items for your home. This time around it seems to be the perfect amount for a few budget bedroom finds that might be just what your space needs!

Like 111 Tweet 30 +1 0

Here's a few fun finds for your bedroom. Some add color, others are meant to reflect light while some are purely functional. Do you know of a great budget bedroom find? Leave us a link in the comments below!
